Student Education Plan (SEP) Pathway

Goal: develop a pattern of courses including both major and general education courses for college-ready students earning their degree in 2 years.

Pathway Guidelines:

1. Create a pattern of course-taking for a full-time student (12-16 units per semester=60 units total).
2. Start the pathway at college level. Academic Development will create a pathway for underprepared students.
3. Research demonstrates that students who complete their English and Math first are more successful.
4. Be sure the order of the coursework includes prerequisites taken at appropriate times.
5. Consider a balance between major courses, general education courses and easy versus hard courses.

Commented [GC1]: Not required according to catalog

Commented [GC2]: Not required maybe we should list it as Elective (* ORNH B48)

Commented [GC3]: Listed twice in this semester it can double count between major and CSU GE but it cannot be listed twice otherwise it gets double counted for units

Commented [GC4]: Span has changed from SPAN B1ab to just B1 and is now 4 units

Commented [GC5]: Duplicate remove

Commented [GC6]: Was missing but it is a requirement according to the catalog so once we remove the duplicate AGBS B2 and add this one we are still at the same amount of units

Commented [GC7]: According to the catalog they are to choose 2 courses out of ORNH B2, B3, B6, or B7. Actually it reads that they are to pick 6 units but then when it lists the courses it looks like they need B2 and B3 and then get to pick between B6 or B7 but if that was the case they would need 9 units not 6 units?
