## **Clips**

---

(The Clips program has been temporarily discontinued due to budget constraints.)

*These are special assessment projects developed and produced by groups of faculty, classified, and administration members who share an interest in a particular area of research. These projects, called CLIPs (Communities of Learning, Inquiry and Practice) are funded and supported through an NSF grant obtained by InSites. (More information on CLIPs)*

**Results of 2004/5 CLIPs (Word Document)**
