Clery Report

[2010 Clery Report \(PDF\)](#)

[Clery Act](#)
[Megan's Law](#)

It is an unfortunate fact that criminal incidents of all types occur on college campuses. Colleges around the country investigate and make public the nature and frequency of crimes. Bakersfield College follows this federal mandate and believes that reporting this information to the public increases community awareness about taking steps to prevent criminal activity.

Bakersfield College encourages victims of crimes to report incidents to the Department of Public Safety regardless of how insignificant the crime may appear. To report a crime, a victim or witness should call (661) 395-4554 or utilize one of the [Code Blue Lights](#) placed around campus. College administrators receive reports about crime on a regular basis. Public Safety Officers will also assist victims who want to report crimes to the Bakersfield Police Department.

The Department of Public Safety has taken several steps to prevent crime. Some of these efforts include:

- 24-hour patrol
- Officers dispatched by radio
- Alarms in key areas
- Card key entry systems in areas
- On campus escort service
- Video surveillance

Bakersfield College places a high priority on your personal safety. The information on this website is provided to assist the College's commitment to safety and security in the campus community.
