The Kern Community College District has implemented an emergency notification system which will deliver vital information to the students of Bakersfield College, Cerro Coso College and Porterville College as quickly as possible in the event of emergency or alert situation. This system, provided by Connect-ED, has been established to enhance safety of all of our students and staff, as well as to provide direction in an emergency and to minimize misinformation. During an emergency, the KCCD mass notification system will alert students, faculty and staff via voice, e-mail and text messages to the phone numbers and e-mail addresses on file. You may select to opt out of text message delivery by checking the box below. While you have the option to opt out of text message delivery, you will still receive notification of emergency situations through voice mail and e-mail delivery.

Do not send me any emergency notification text messages. I understand I will still receive notification of emergency situations through voice mail and e-mail. [More info on opting out](#)
