

Assessment Workshops

March 28, 2011 (Monday), Levinson 40, 1:00 - 2:00 pm

Making Connections

Presenter- Stephen Eaton / This mini-workshop is an opportunity to explore the benefits of connecting SLO's to assignments and exams. Also discussed will be varying ways of measuring student achievement regarding stated SLO's.

March 29, 2011 (Tuesday), Levinson 40, 1:00 - 2:00 pm

Classroom Assessment Techniques (CATs)

Presenter- Janet Fulks / CATS - Classroom Assessment Techniques allow us to take the vital learning signs in our class as the learning is occurring. This technique acts like navigation for our teaching, helping us to determine what the students are and are not learning. The input from CATs enables faculty to reset the course improved learning. Better yet, CATs are short assessments (5-15 minutes) can act as a teaching tool as well as an assessment tool and provide real time, student appropriate input.

March 30, 2011 (Wednesday), Levinson 40, 1:00 - 2:00 pm

Rubrics

Presenter Lora Larkin

- Self-Assessment/Discussion: What do you know about using rubrics?
 - Purpose/ Various uses of rubrics in the classroom
 - Sample rubrics for different disciplines

March 31, 2011 (Thursday), Levinson 40, 1:00 - 2:00 pm

Assessment Plan Boot Camp

Presenters Bonnie Suderman and Bernadette Towns / This workshop is designed to explain and assist faculty and classified employees who are completing the annual assessment plan. Questions regarding completing the plan will be answered. Time will be provided to begin working on department plans. Bring last year's assessment plan if available and any information you have collected for this year's plan.

Space is limited! To sign up for a workshop, send an email to: btowns@bakersfieldcollege.edu
