<sup>1</sup> **Success rate numerator:** Number of course enrollments with a successful passing grade (A,B,C,P/CR).

<sup>2</sup> **Retention rate numerator:** Number of course enrollments retained through the semester (grade = A,B,C,P/CR,D,F,NP/NC,I).

**Success and Retention rate denominator:** Number of enrollments retained (A,B,C,P/CR,D,F,NP/NC,I), withdrawn (W), and dropped (DR). Note: Beginning Summer 2008, DR grades are in the denominator, generally leading to a higher denominator and lower rate; DR assignment occurs when a student drops between census day and the last day to drop without receiving a W (30% date); DR grades did not exist before Summer 2008.
