234	X				Psyc. B1a; Unfortunately, the teacher, who was also an instructor at Taft College, had proofread my paper incorrectly. She made several comma errors on my paper. Since I had taken many English courses and workshops on punctuation errors, I knew she was incorrect. I showed the supposed "corrected" paper to my instructor and my original paper to the professor. She said she would look into it. I continued to have my papers proofread, but I made sure that I had Mrs. Pierce review my papers. She is excellent at her work and loves what she does!
