Instructions for meeting with your tribe for the first time

1. Sit down together in the same area of the classroom. This is where you will sit for the rest of the semester

2. Introduce yourself using your top 10, bottom 5 list

3. As a group, compare your group attraction results

4. Exchange contact information

5. On a piece of paper, write your names in alphabetical order by first name.

6. Put your quizzes in the same order

7. Put your top 10 in the same order

8. Put your Group Attraction Survey in the same order

9. Discuss going to lunch and spending at least an hour together

10. Discuss banner plans, mission statement, and contract

11. Discuss a regular time and place for you to meet.
