Fall 2014 Staff Development Week

August 18th – 22nd , 2014

The Fall 2014 Staff Development Week was a wonderful success. There were over 40 various sessions covering a wide variety of topics for classified, faculty and administrators. Over the course of the week we had over 700 people participate in the various sessions. Many people participated in more than one session but we still had over 350 unique participants.

Todd Coston, Winner Kathy Boner

The staff development committee had two prizes available this year. Both prizes were a Dell Venue Pro 8 tablet. One prize was drawn from our presenters and Michelle Begendik was the winner. The second prize was drawn from our list of participants and Kathy Boner was the winner.

Winner Michelle Begendik, Todd Coston

We tried something new this year with the introduction of the Renegade Talks, which are BC's version of the famous TED talks. We had five dynamic faculty speakers which were Joe Saldivar, Valerie Robinson, Randy Beeman, Talita Pruett and Reggie Williams. The Renegade Talks were recorded and can be found at <https://www.bakersfieldcollege.edu/employees/professional-development/video-library>.
