

Equity and Inclusion

The Office of Equity and Inclusion supports Bakersfield College's mission to open more educational pathways for students from diverse economic, cultural, and educational backgrounds to attain degrees and certificates, workplace skills and preparation for transfer. We work together with dozens of existing Bakersfield College campus programs, departments, and services to create opportunities that maximize your ability to succeed at BC.

We're committed to improving a campus climate of diversity and supporting awareness, understanding and respect for the many cultures and educational opportunities that make up the Bakersfield College experience.

We want to promote a message of equity and inclusion through opportunities that demonstrate fairness, equality, respect and civility for each and every Renegade.
