Importance: High

2014-15 Scheduled Down Time for Information Technology Systems and Services

Scheduled downtime for IT services facilitates the ability for IT staff to perform necessary maintenance and upgrades and allow District Office and College operational units to plan for and work around these scheduled interruptions of IT systems and services.

Scheduled downtime work will be completed on the dates below between 6:00am Sunday and 6:00am Monday.

July 13, 2014 (2nd Sunday)
August 3, 2014
September 14, 2014
October 5, 2014 (Banner upgrade weekend 10/3/14 – 10/5/14)
November 2, 2014
January 4, 2015
February 8, 2015 (2nd Sunday)
March 1, 2015 (Banner Upgrade Weekend 2/27/15 – 3/1/15)
April 5, 2015

Email notifications from the college and district IT operations will be sent out providing information on what services will be impacted during a scheduled downtime period.

Regards,

David Palinsky
Assistant Director, IT
Kern Community College District
