

ACDV 195

Thesaurus Assignment

1. Use standard set-up for your document
2. Write a paragraph about what you would do in case of a fire. Consider your own safety as well as that of others.
3. Save
4. Select the paragraph (not the heading info)
5. Copy it into the computer's memory
6. Move your cursor to the bottom (CTRL + END)
7. Paste the paragraph
8. Use the THESAURUS to change at least 2 words in the second paragraph to synonyms
9. Underline the original 2 words in the first paragraph and the 2 new words in the second paragraph
10. Save, print and exit
