

## STUDENT EDUCATIONAL PLAN (SEP) PATHWAY

**Goal:** Develop a pattern of courses including both major and general education courses for college-ready students earning their 2 year degree

**Pathway Guidelines:**

1. Create a pattern of course-taking for a full-time student (12-16 units per semester).
2. Start the pathway at college level. Academic Development will create a pathway for underprepared students.
3. Research demonstrates that students that complete their English and Math first are more successful.
4. Be sure the order of the coursework includes prerequisites taken at appropriate times.
5. Consider a balance between major courses, general education courses, and easy versus hard courses.

**Degree:** PHILOSOPHY
