Spring 2014
Course Information

Pre-Algebra: Math B50

- CRN #31451  meets MW from 1:00 pm to 1:50 pm, AND TR from 1:00 pm to 2:05 pm in classroom MS106
- CRN #31453  meets MW from 2:35 pm to 3:25 pm, AND TR from 2:35 pm to 3:40 pm in classroom MS106

Note: Your class will meet 4 days per week! All Math B50 classes meet Monday (M), Tuesday (T), Wednesday (W) and Thursday (R) of each week. It is just that the times are different for MW compared to TR.

Textbook Tips

- You may want to order your textbook online or rent one.
- International versions of the textbook are also a cheaper option.
- Try dealoz.com, amazon.com or do a Google search for college textbooks to get the best prices if you prefer to buy.
- To rent a textbook, check out chegg.com.
- You do not need the MyMathLab, or the CD that comes with some of the books for this course since we will not be using either of them.
- The ISBN number may be different on the international versions or other versions that come with software. Just make sure you get the correct title, author and edition of the book and you should be fine.

Class Materials:

1. 3-Ring Binder with paper→You will use a binder to organize your notes and homework, or a spiral notebook will work too.

2. Scientific Calculator→Note that we will not use a calculator for the first part of the semester, but we will use one toward the end. I recommend the TI-30X IIB or TI-30X IIS. These are good scientific calculators and will cost around $15. You will also be able to use this calculator in your next math course as well.

3. Pencils→ You must use regular pencil on any exam or quiz that is given. Work turned in with ink will not be accepted.
