Student Success
Learning Styles

Getting There

1. Go to the Diablo Valley College site for learning styles:

Looking Around

1. Go into the Learning Styles Survey in the second paragraph and take the inventory. Submit your answers at the end. What is your learning style according to this survey?

2. Go into Learning Styles and Strategies. Print off a copy of the study strategies they suggest for your learning style. Read through the suggestions and highlight three strategies that you think you will use this semester to succeed in this course.
